The Changing Face of West Geauga

West Geauga High School

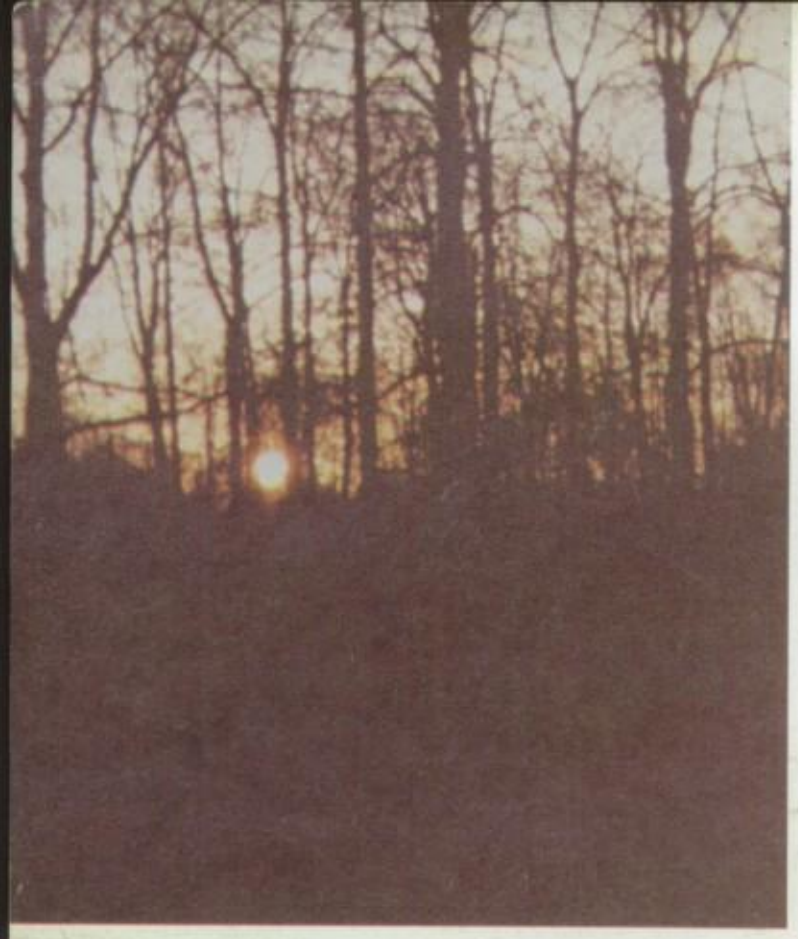
Chesterland, Ohio 44026

Changes Develop a

Things are always in constant motion and everything we know is the result of a change that has occurred. Some changes we hardly notice, yet others we recognize immediately. Some we have become so accustomed to that we never pay much attention to them, still day in and day out, these changes take place. Just as there are many kinds and degrees of change, individual attitudes toward change also vary. Some people regard change as growth or progress while others consider it to be bad or evil. Though the specific results of change cannot be predicted, most of us like to believe that a change will be an improvement. With the idea of improvement in mind, our community and school have initiated many programs this year, designed to bring changes with positive results to this area.



Each new day brings us something exciting and different to look forward to.

The change of seasons occurs year after year at approximately the same time but never gets boring or loses any of its beauty.

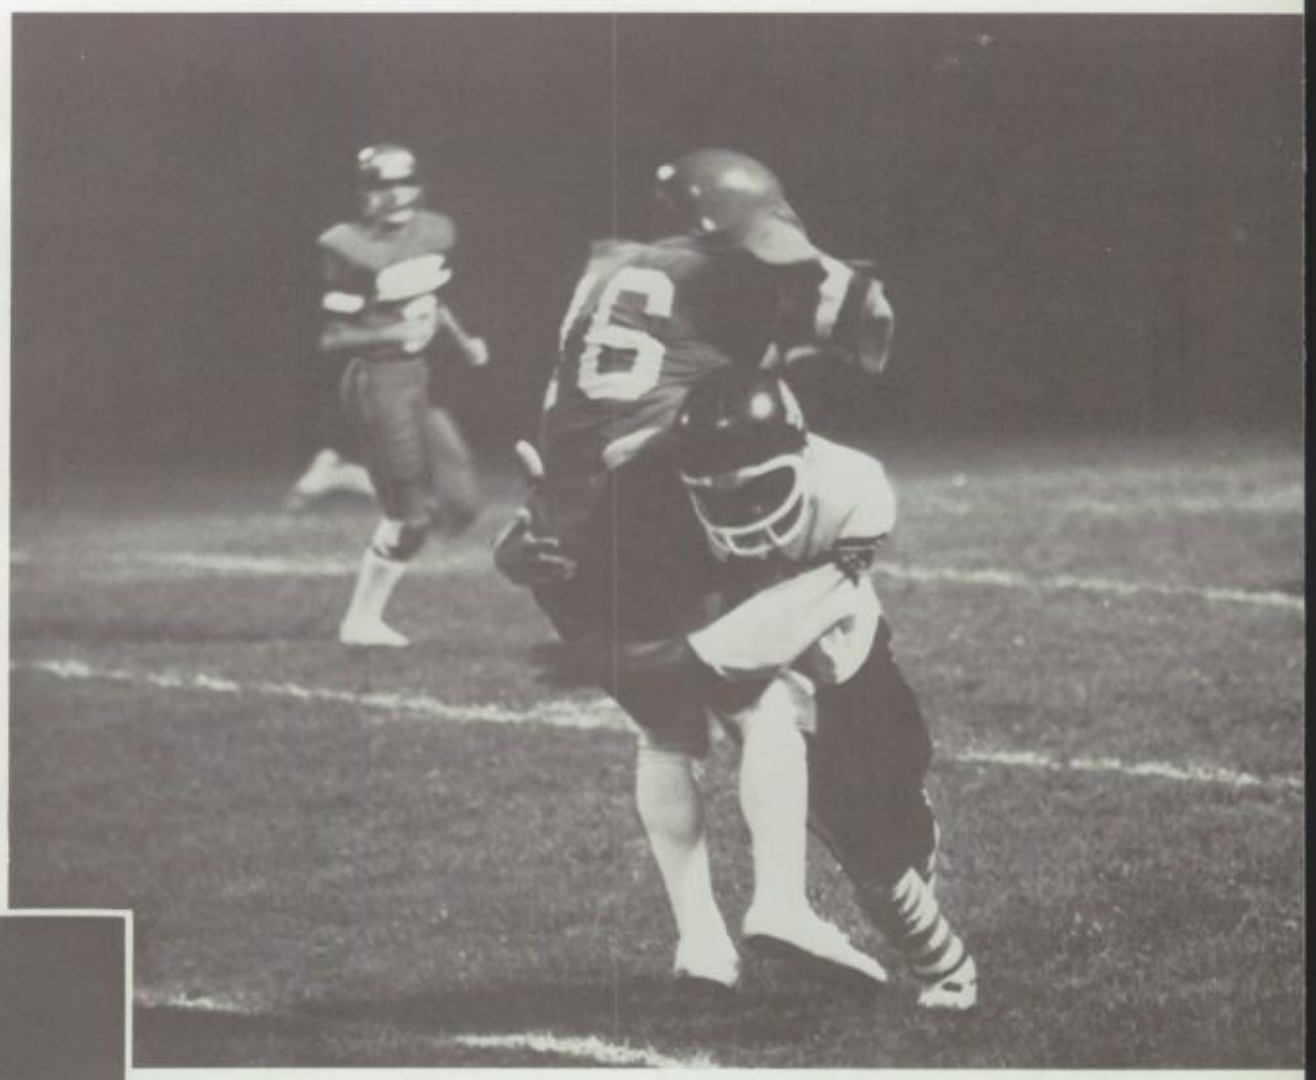
Although having Wilson Mills closed for such a long period of time was a great inconvenience to the community, most will agree that having to use a detour was a small price to pay for getting the road repaired.

Growing Community

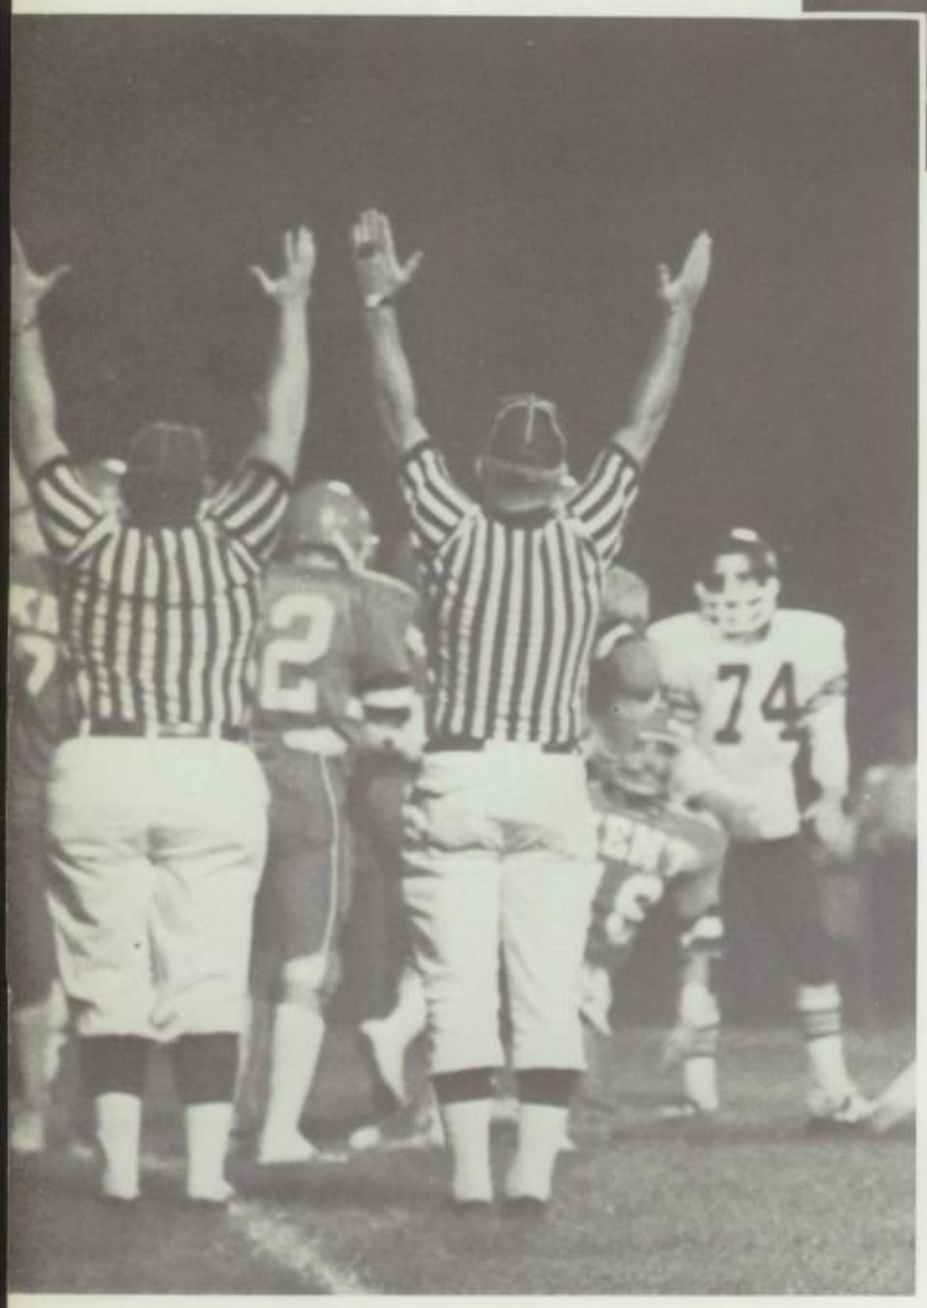
A Community Development Program, sponsored by Chester Community and the U.S. Department of Housing and Urban Development, was started this summer. Night lights were put in at Parkside and plans are being made now to flood the park this winter and use it as a skating rink.

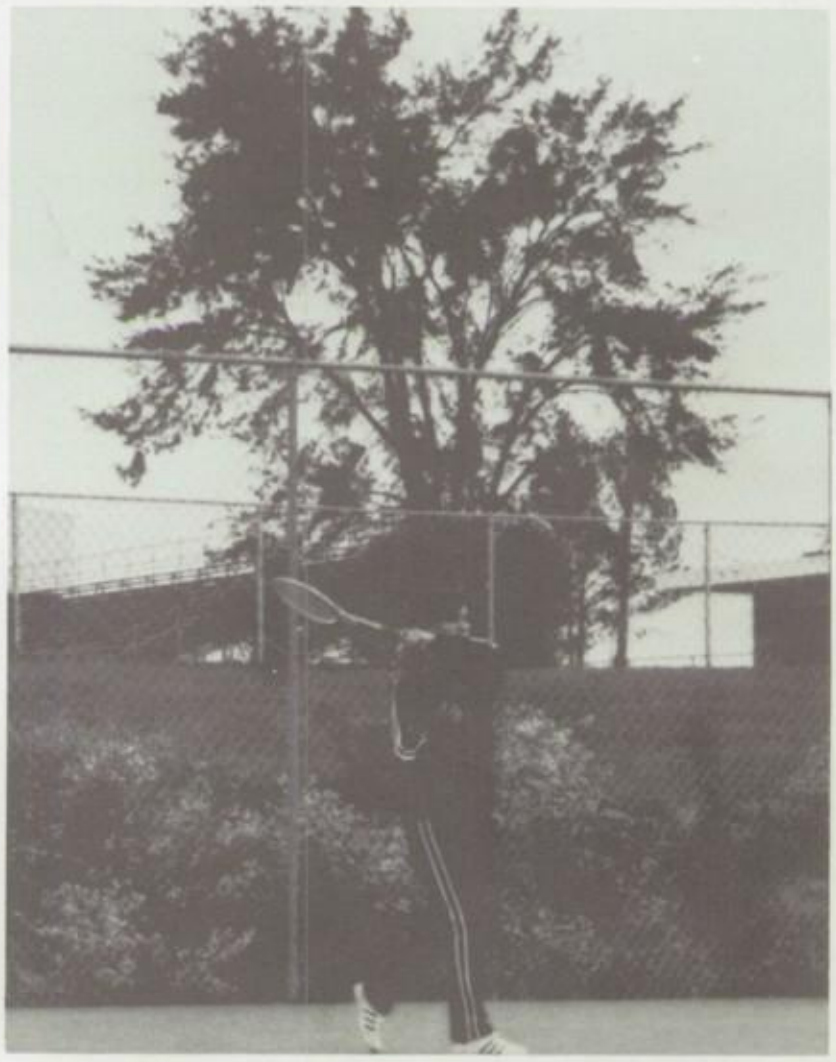
The "hick" town of Chesterland is not such a "hick" town anymore. Many new housing developments have been started because the population of the town is growing so rapidly.

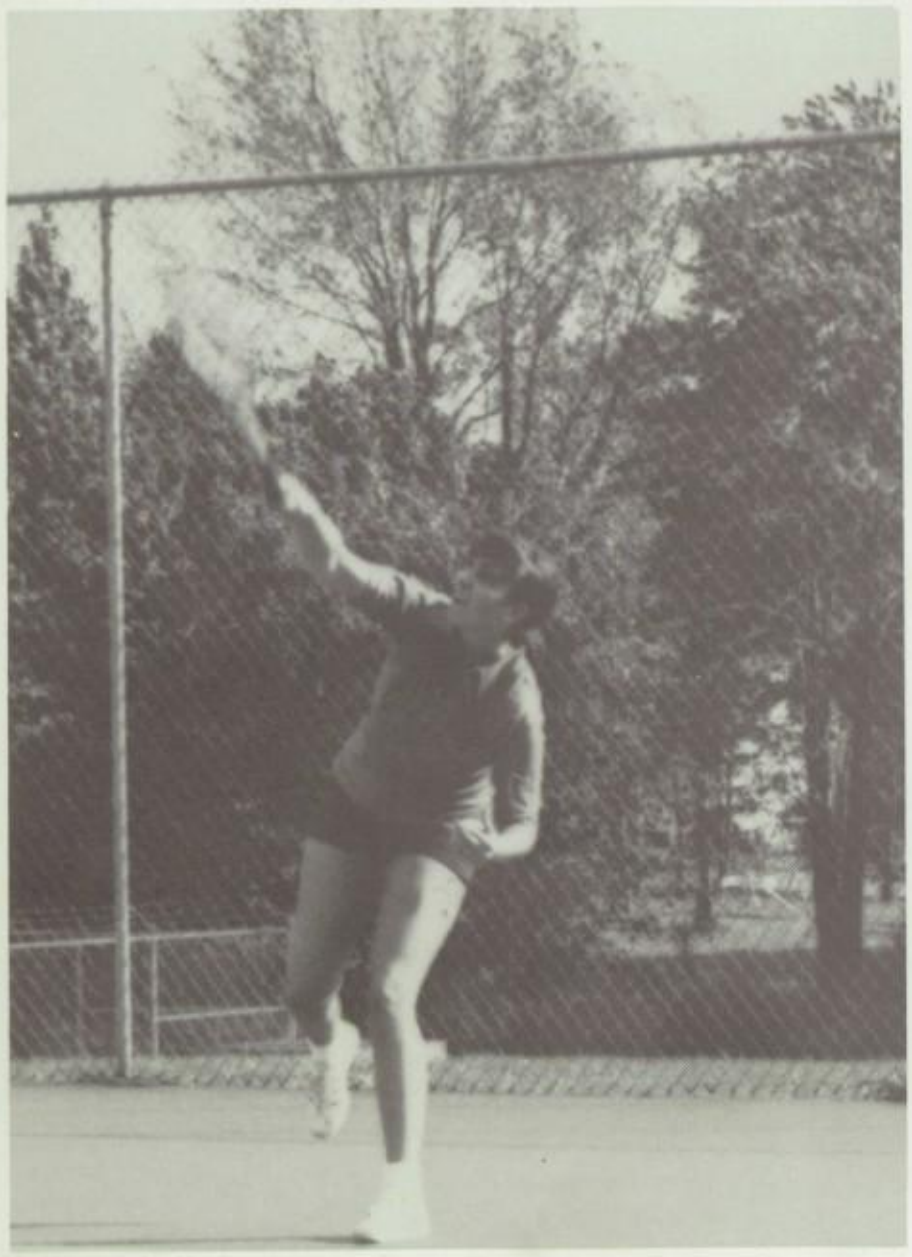
The Football Team started out on the right foot this year by winning their first game against Kent Rooevelt by one point in the last few seconds remaining in the game.

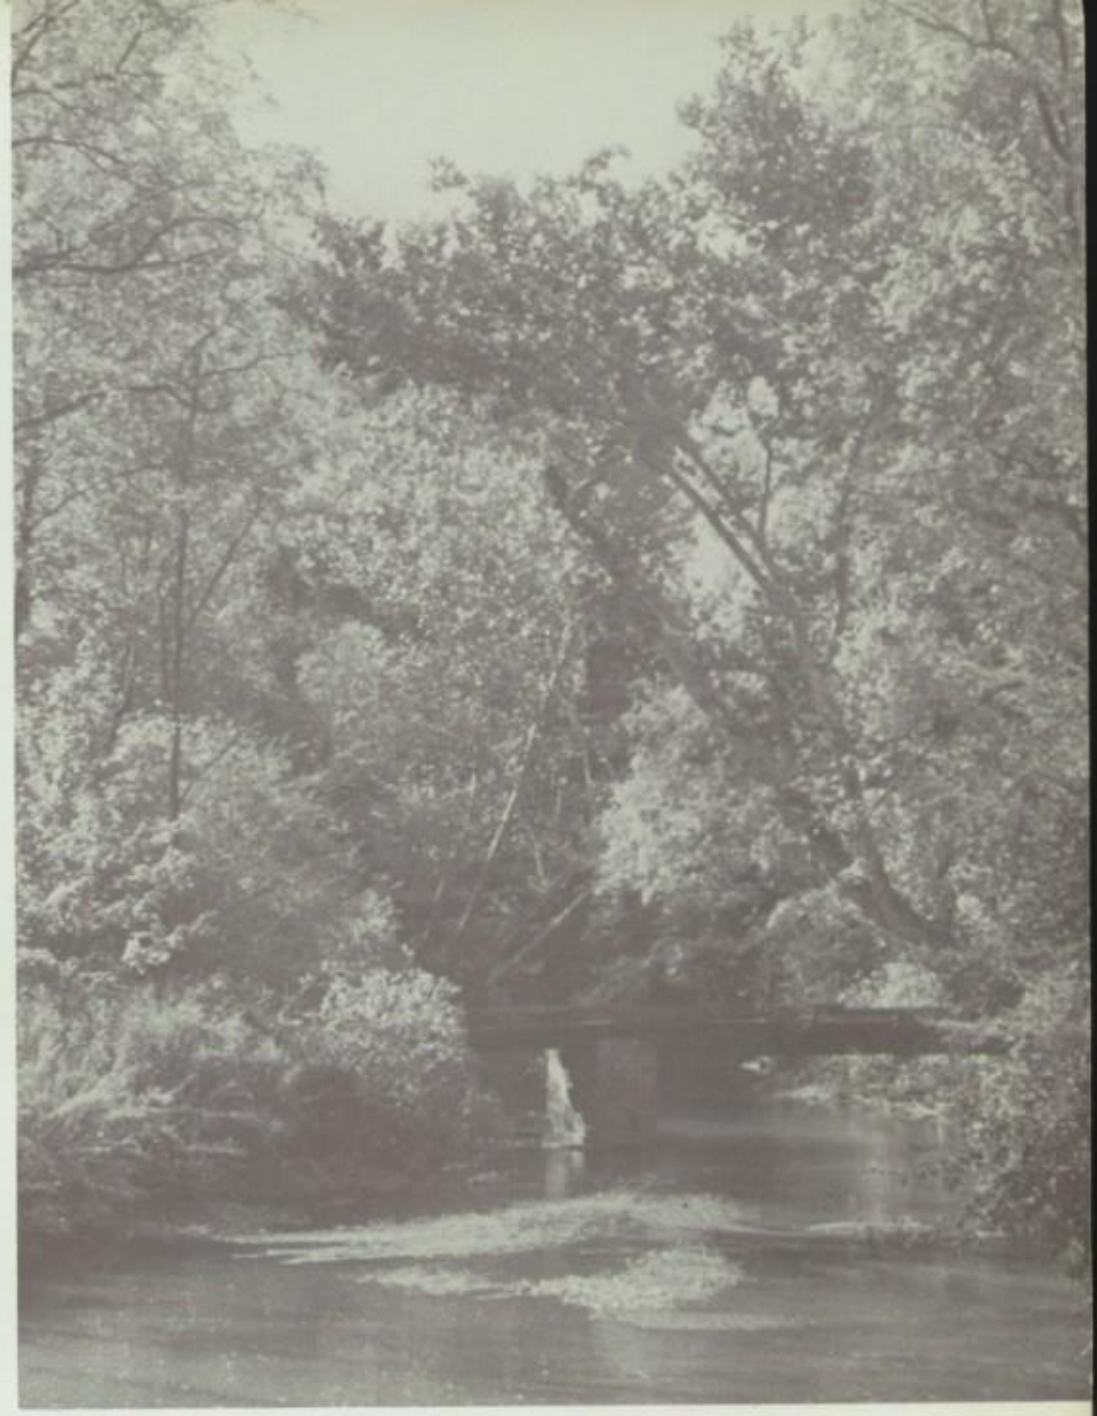


Members of the first Girls' Tennis Team at West G. Tracie Decker and Cathy Pleshinger (opposite page), practice after school.









Peggy Chew's expression shows that she was rather surprised when the announcement was made during the half-time ceremony at the Homecoming Game that she was the 1977-1978 Homecoming Queen.

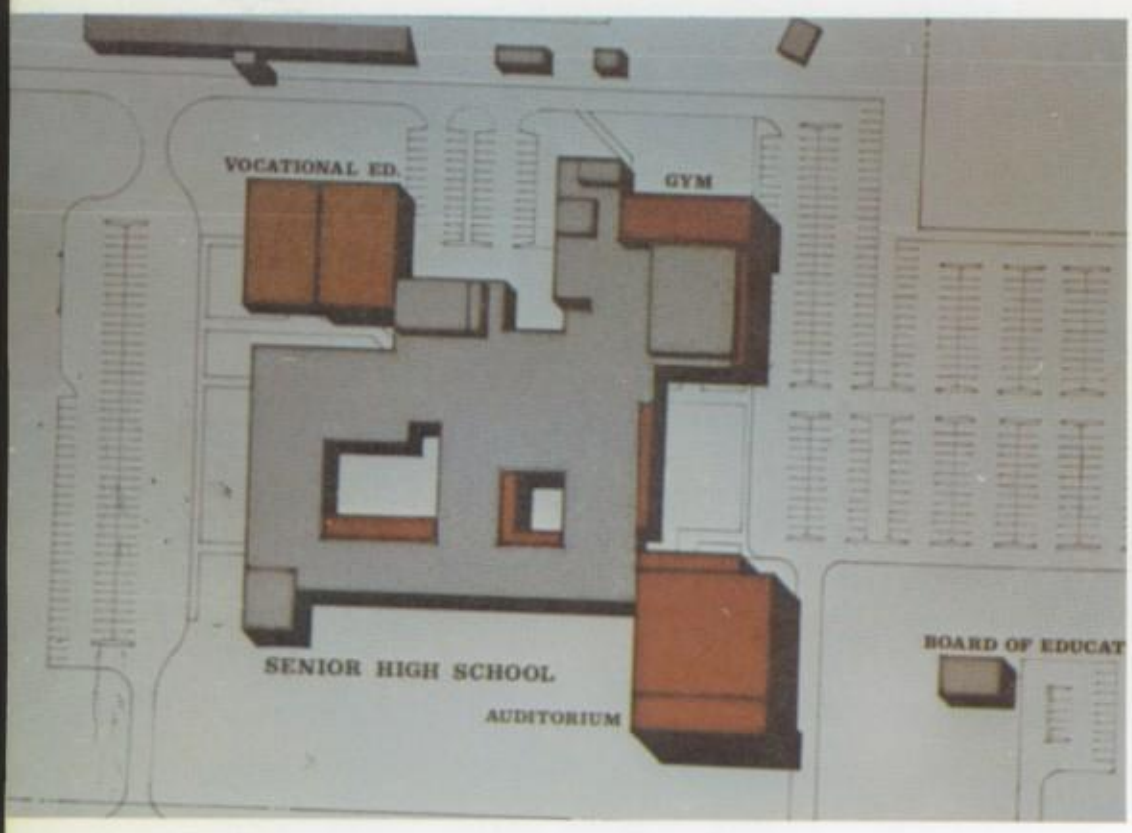
Land donated this year to the Nature Conservancy, called the Upper Chagrin Preserve, is being used by the Biology II classes for various projects.

This year appears to be the one to break old routines, and to try something a little different. Our Football Team can boast that it was the first West G team ever to beat Kent Roosevelt. This is also the first year West has had a girls tennis team. Changes in the faculty include four new department heads and changes in the curriculum include a new English course. Positive changes such as these keep our school spirit going and keep WEST BEST.

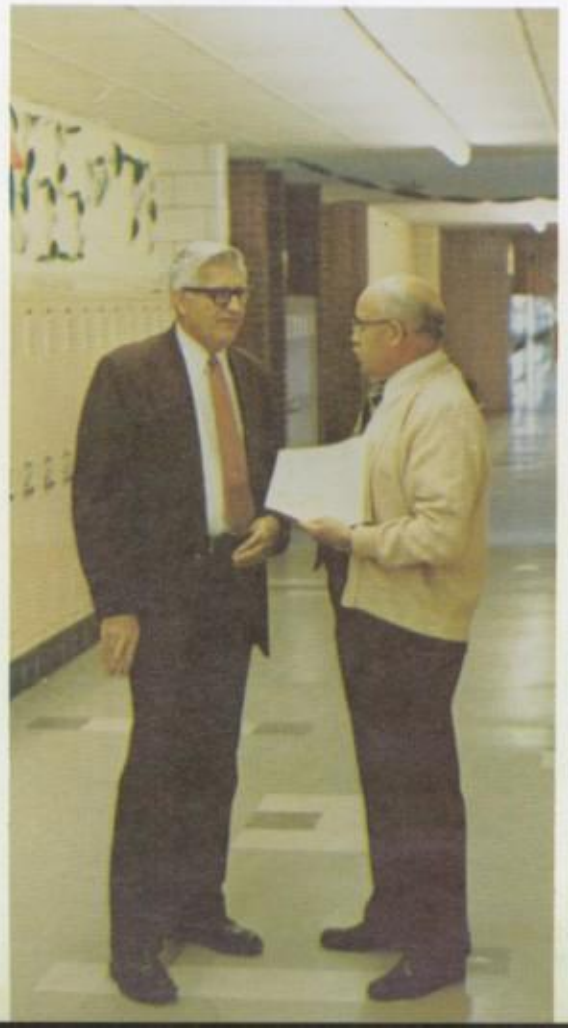
A Change of Pace

New Opportunities Accompany

It's strange to think that everything you do will affect your life in some way, either directly or indirectly. That's the reason change is so important to us. If we never did anything different, we would always be asking ourselves "What if . . .?" The only answer to that question is "You'll never know unless you try." By experimenting and trying new things, you'll be able to make a good decision based on personal experience. And who knows, one new thing might lead to another and you might find yourself doing something you never dreamed you would do.



Two new West Geauga bond issues will be voted on in the upcoming November election. The first would build additional vocational education facilities, a new gym, and more classrooms. The second would build an auditorium. West G students are anxiously awaiting election day to see what the results will be.



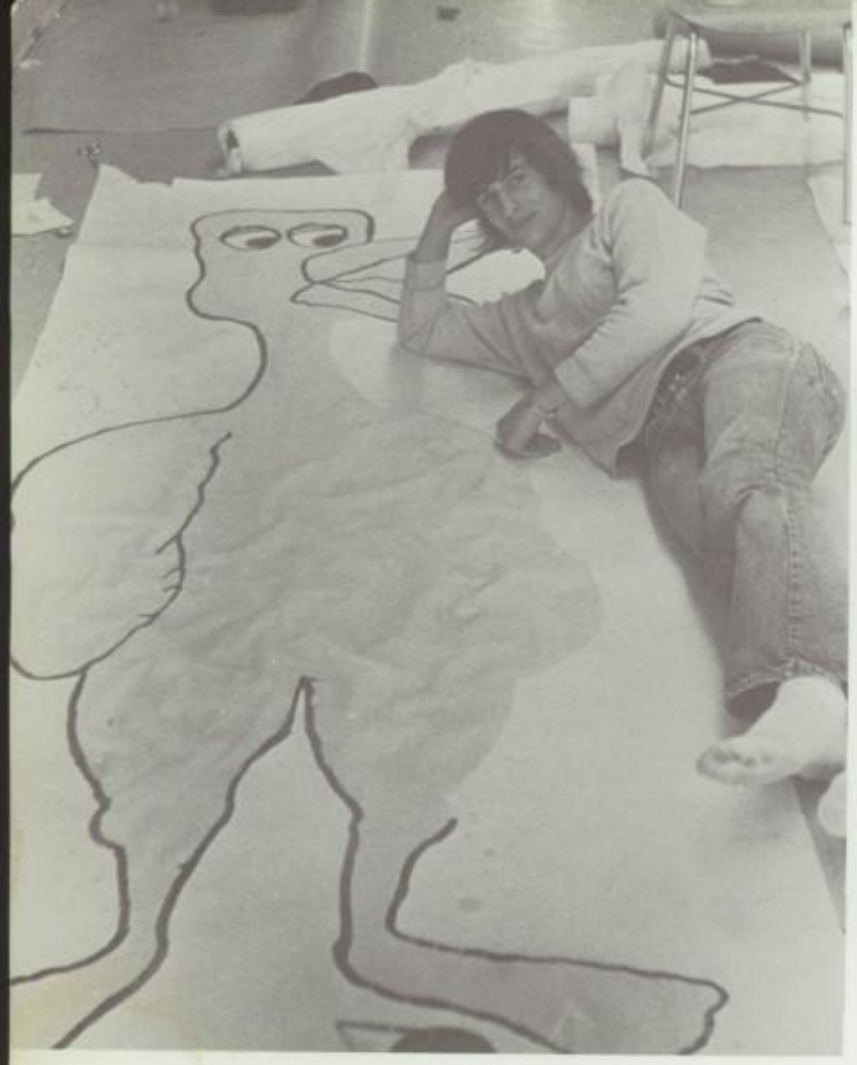
A big change in the High School has been a new principal. Mr. Rickleman has been appointed the Assistant Superintendent and Mr. Moll has taken his place as principal.

Changes in All Our Experiences

Although graduates Mary Ann Patrizi, Douglas Kovanda, Kathy Bailey, and Mike Kolk are glad their high school days are over and are anxious to make their debuts in the "real" world, they know they must be careful when making decisions concerning their futures.

A sex change ocurrs annually during Pride Week. The girls play Powder Puff Football and the guys are the cheerleaders and homecoming candidates. Senior cheerleaders are Barry Holder, Tom Wadkins, Dick Clark, and Douglas Kovanda.

Peter Dhont, West G's school program A.F.S. student from Belgium, finds American life very challenging. Although Carol Lant, West's domestic program student from California, doesn't have a language difference to cope with, there are many other differences she must adjust to.



Jim Robinson sets time aside after school to investigate new interest areas.

The High School takes on new dimensions when viewed from the air.

A lot of determination and hard work is required to conquer challenges.

A small narrow path may someday become the road of success

Changes made in the community can greatly influence our lives. New opportunities are made available to us, and through new experiences we broaden our horizons. Meeting new people through the businesses just beginning their operations in our community can lead to an exciting job, and, possibly, a new career. (Contrary to popular belief, a small community does have good things to offer.) Discovering new interests, gaining new perspectives, and meeting new challenges are all part of . . .

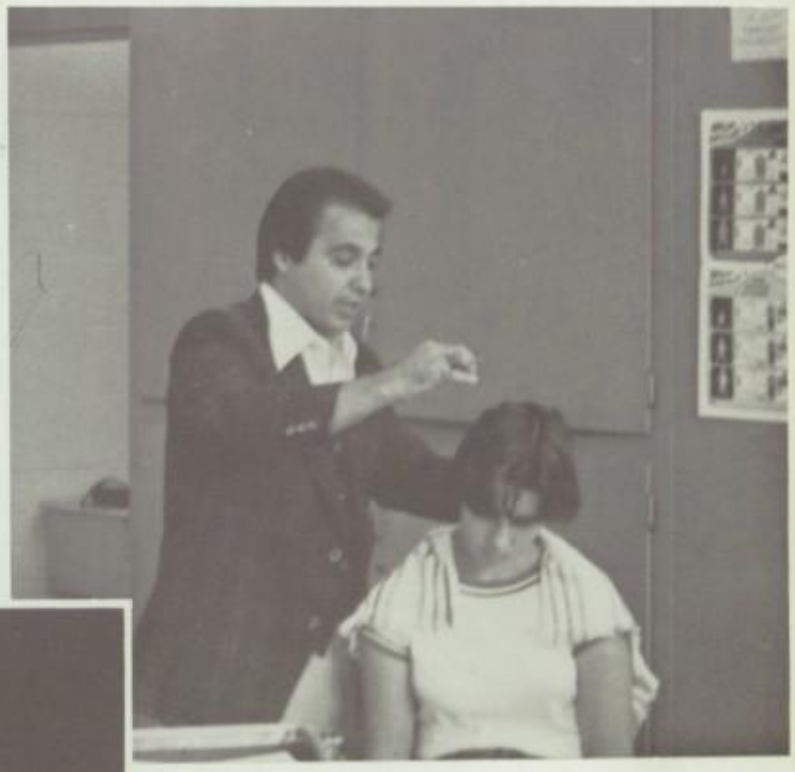
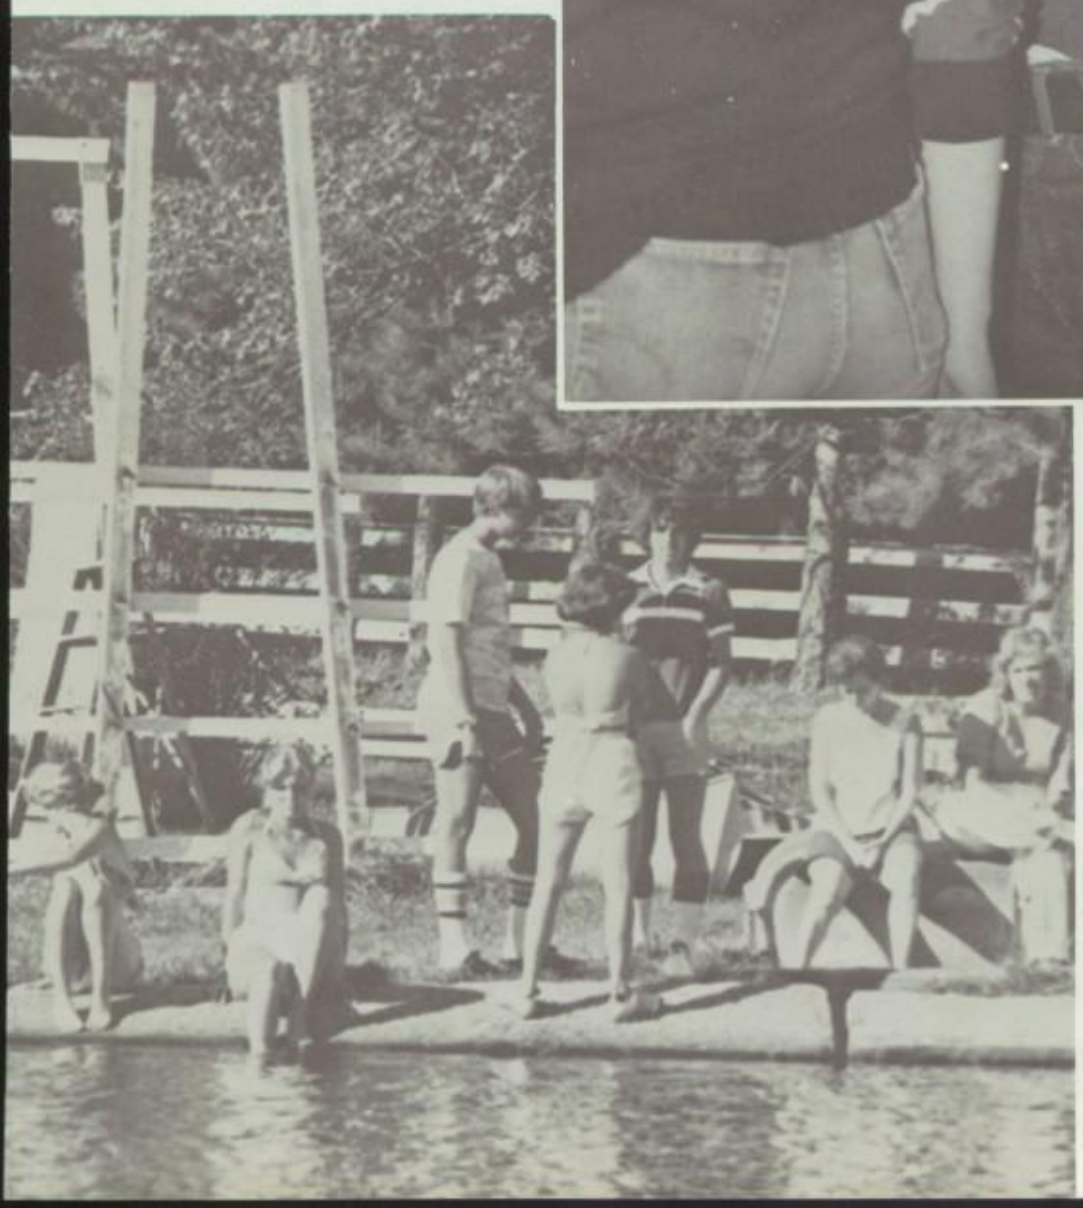
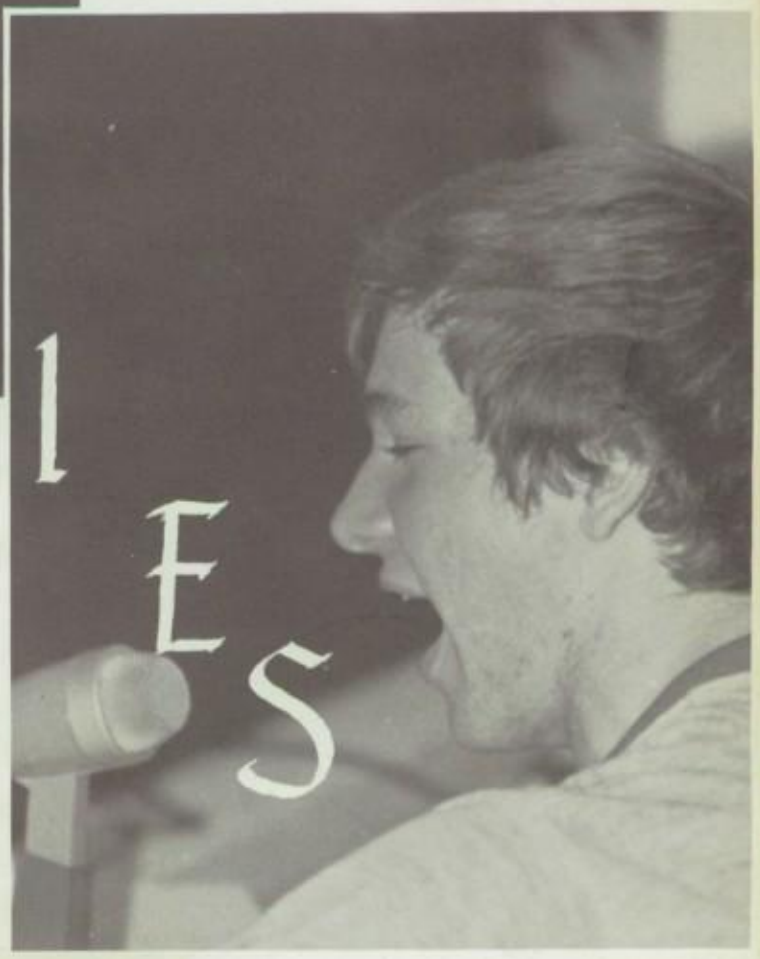
PERSONALITIES







Students Spend the Summer Doing Their Own Thing

The Marching Band takes a rest before playing again.

Randy Bluffstone working at the senior booth, to help earn money for the senior class.

Majorettes, Ginger Lynch, Teresa Atchley, and Debbie Brown march off the field after the Fourth of July performance.

A junior class member Diana Farina is caught off guard by one of the yearbook photographers.

Junior Mark King poses for one of our photographers.

Robin Huston, and Patty Kolk help out at the junior booth this summer.

Once exams are over, the summer vacation starts. Now everyone spends his time doing his own thing. His own thing can be anything from going to a concert at Blossom to spending the day at the beach. Whatever it is, people always enjoy themselves.

Many times the Fourth of July is the first time you'll see a lot of your classmates since school has been out. The Fourth of July is an important event at West. Also, the Marching Band performs each year in the parade and at the field.

Seniors Linda Duggan and Amy Hollingsworth sell flowers for the senior class with president Doug Kovanda in charge, while John Shipitalo looks on.

Many W.G. students went to Blossom Music Center this summer. Just one of the groups performing there was John Oats and Daryl Hall.

Peggy Chew Reigns at 1977 Homecoming Festivities

West Geauga's student body voted Peggy Chew to be crowned as their 1977-78 Homecoming Queen.

The seniors choose the first fifteen girls by voting in homeroom. The list was then given back to the seniors along with an activity sheet, and then narrowed down to five. After the assembly on Friday, students voted for the queen.

Football co-captains, Phil Love and Darrell Tarver, Cross Country captain, John Wheaton, Soccer captain, Andy Broderick, Student Council President, Bill Shaw, and A.F.S. student Peter Dhondt were also honored as escorts during the assembly at school.

Jeffy Bialosky Wows Fans As Powder Puff Queen . . .

The Powder Puff game, which has become traditional at West, took place Oct. 5 this year. For the first year, the teams were allowed an assembly. Channels 3 and 5 were there to cover all the excitement.

The seniors started out in the lead, and at the end of the first half were still in the lead.

During halftime, Jeffy Bialosky was crowned "Queen" and, as every other year, his "beautiful outfit" was ripped from his body.

Afterwards, the game continued with the seniors winning 20-12!

Players, coaches, cheerleaders, candidates, and spectators all enjoyed the fun.

Senior offense watches the game intensely from the sidelines.

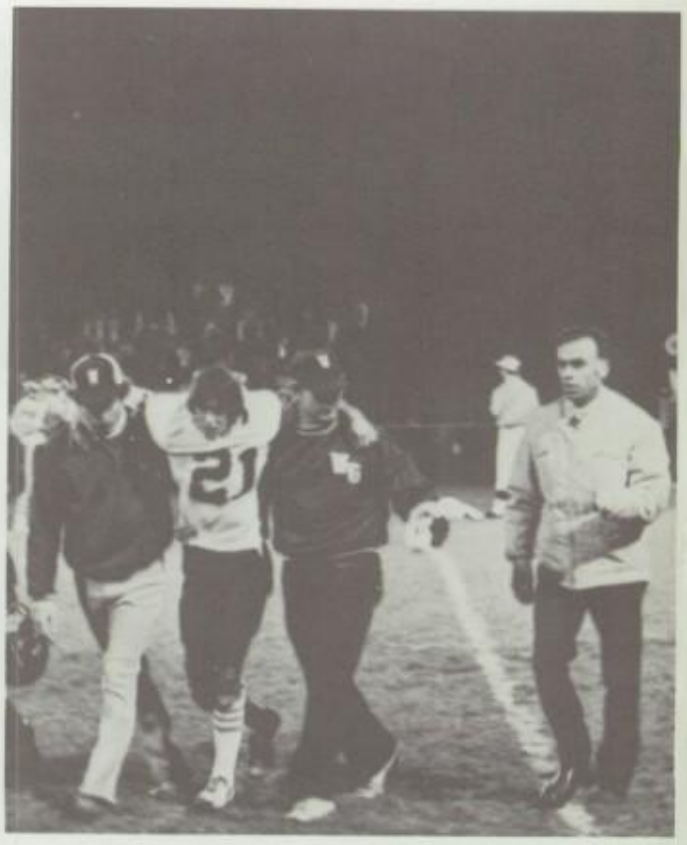
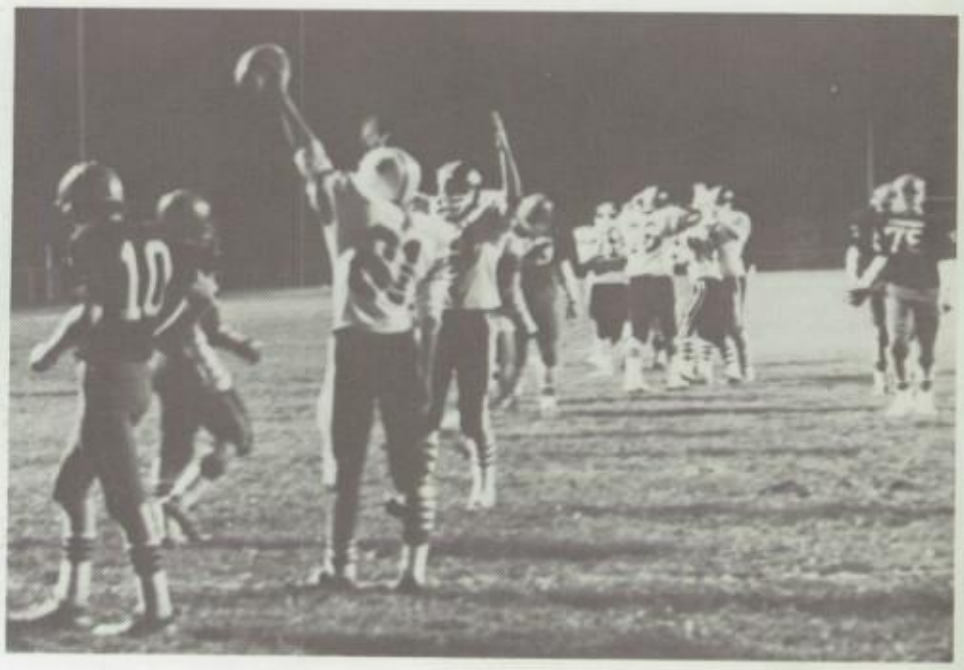
Mickey Atchley with escort Chuck Saunders.

Senior cheerleaders, looking "better" than usual, lead a cheer for the seniors at the assembly.



Mickey Atchley is helped off the field by his coaches, along with Dr. Vartkes Najarian.

Tony Todaro opens the game with a "POW".



Touchdown! Gary Leers makes it quite clear that W.G. has scored.

The week of the Homecoming football game brings about many strange changes at West Geauga. The first part of the week is all in fun but the game Friday night is taken seriously. We gained a victory but at the cost of a few injuries. In the long run, having powder-puff and football all seems worth it.

The Spooks and Goblins at the Haunted Forest

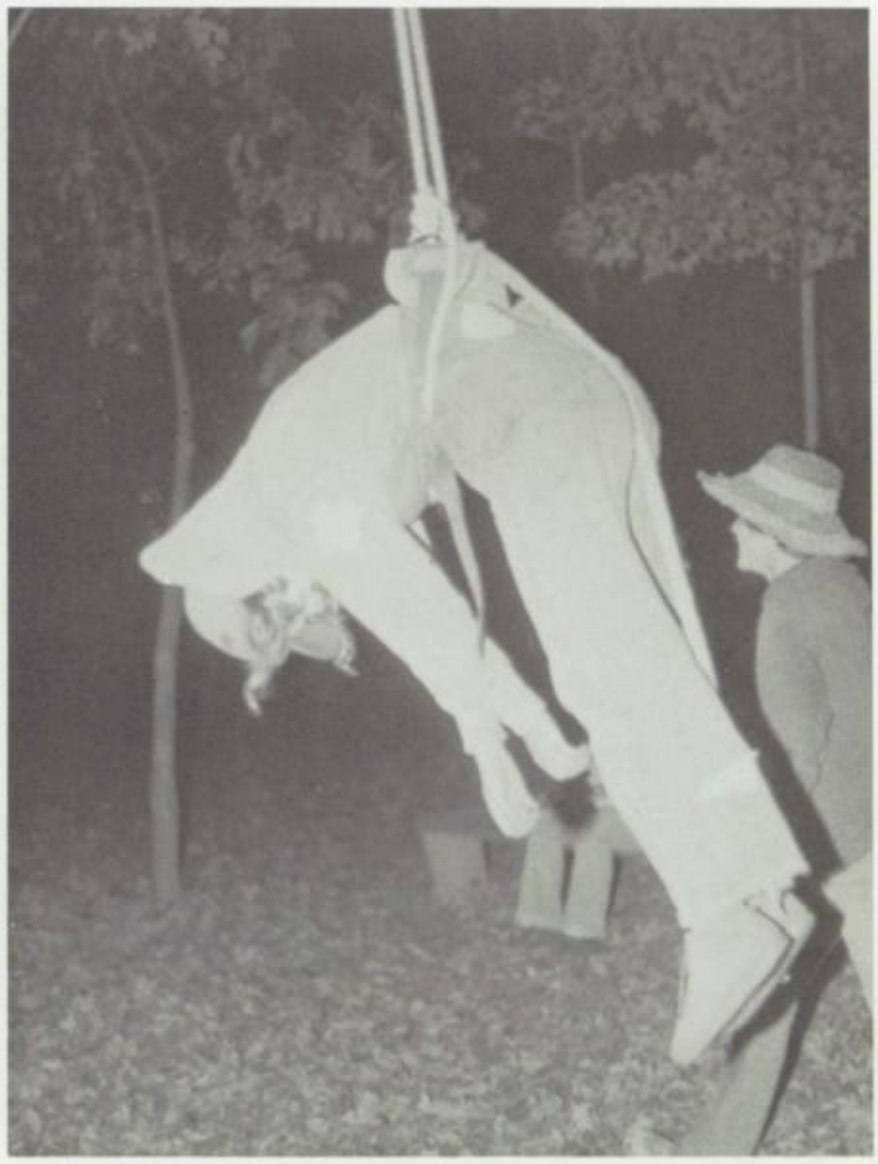
One of the spooks is caught hiding by the spider web at the Haunted Forest.

Here one of our photographers has caught the ferocious gorilla on film.

Band members Steve Beck, Howard Loewenthal, and Alice Maresh are shown here in a skit.

Another character is found roaming around the forest.

Drum major Scot Occhionero is put to a little torture in this scene.



Hanging here is A.F.S. student Carole Lant.

In this picture Becky Aidlin and Steve Duzs are photographed during their skit.

The wicked witch of the Haunted Forest Wishes our photographer a Happy Halloween.

Every year the West Geauga Band and Band-Aides put on the Haunted Forest. All the ghosts and goblins there are band members. This annual event is put on to help support the band. Everyone enjoys himself while helping to earn money for band activities.

Student Council on the Move

This year, Student Council has done many things for our school. They have put on three dances, Homecoming, Snow Ball, and The February Formal. Homecoming was held on Oct. 8 and it was called Garden Party. The dance was a huge success. The Snow Ball was a Christmas dance held on Dec. 23. Those who went had a great time. The February Formal, formerly put on by GAA, was held on Feb. 18. This was the first year that Student Council was responsible for this dance. Student Council is now working on an outdoor concert in the spring. Members of the Student Council run the concession stand for basketball, football, and wrestling, and rise early Saturday to clean the football grounds. Student Council also sponsors the Bloodmobile in our school which occurs annually in the spring. Members of each class participate in Student Council.

Mrs. Snug is seen here helping Evan Fallenberg and Amy Lantz.

This year's musical is Music Man. The performances will be held the last week-end in March this year. The setting for Music Man is River City, Iowa. Harold Hill, (Evan Fallenburg) who is a traveling salesman, comes to town to con the townspeople of River City into buying band instruments. Harold (Evan) plans to collect the money and run. He is sought after by many other salesmen who think he will ruin the trade when the people learn they've been tricked. Harold gets ready to leave only to fall in love with Marian Paroo (Amy Lantz) who inspires him to reform.

Westwind 1978 Yearbook Staff

Students pictured on these two pages are those who are actually responsible for making up the yearbook. These editors are assisted by a staff of approximately 50 students who work in one capacity or another entirely behind the scene. A sincere thanks to all those who are on the staff and not pictured here, to Cheryl Arslanian, who assisted Scot Occhionero with the Faculty Section, and to Carol Hardy who was in charge of the Index, whose pictures were not available. Also, a grateful thank you to Mr. Sparlin who voluntarily and generously assisted our photographers throughout the year.

Writing receipts is one of Advisor Mrs. Krasovec's duties for the yearbook.

Co-editors for this year's Westwind, Kathy Bailey and Jan Radakovich flank their equally hard working Business Manager Doug Kovanda.

As Ski Club members go up the hill, others are coming down.

A Winter of Fun . . . .

The Ski Club members view the slopes from the top of the hill.

Every year the students of West Geauga participate in the Ski Club. This year's advisors are Mr. Dan Sparlin and Mr. Ron Congdon. All the members always seem to have the best of times on the Alpine slopes. Each year the number of students who join Ski Club grows larger and larger. The Ski Club leaves the school on Wednesday afternoon and then hits the slopes. The ability of the skiers varies from beginner to intermediate. Alpine has hills for everyone to ski down according to his ability. Whenever the skiers get cold, they can always ski down to the Chalet and warm up by the fire inside and have some hot chocolate. All in all, everyone seems to enjoy skiing.

Chris Ewald skies to the tow rope to begin his afternoon of fun.

Looking a little confused, Courtney Wright sizes up the slopes.

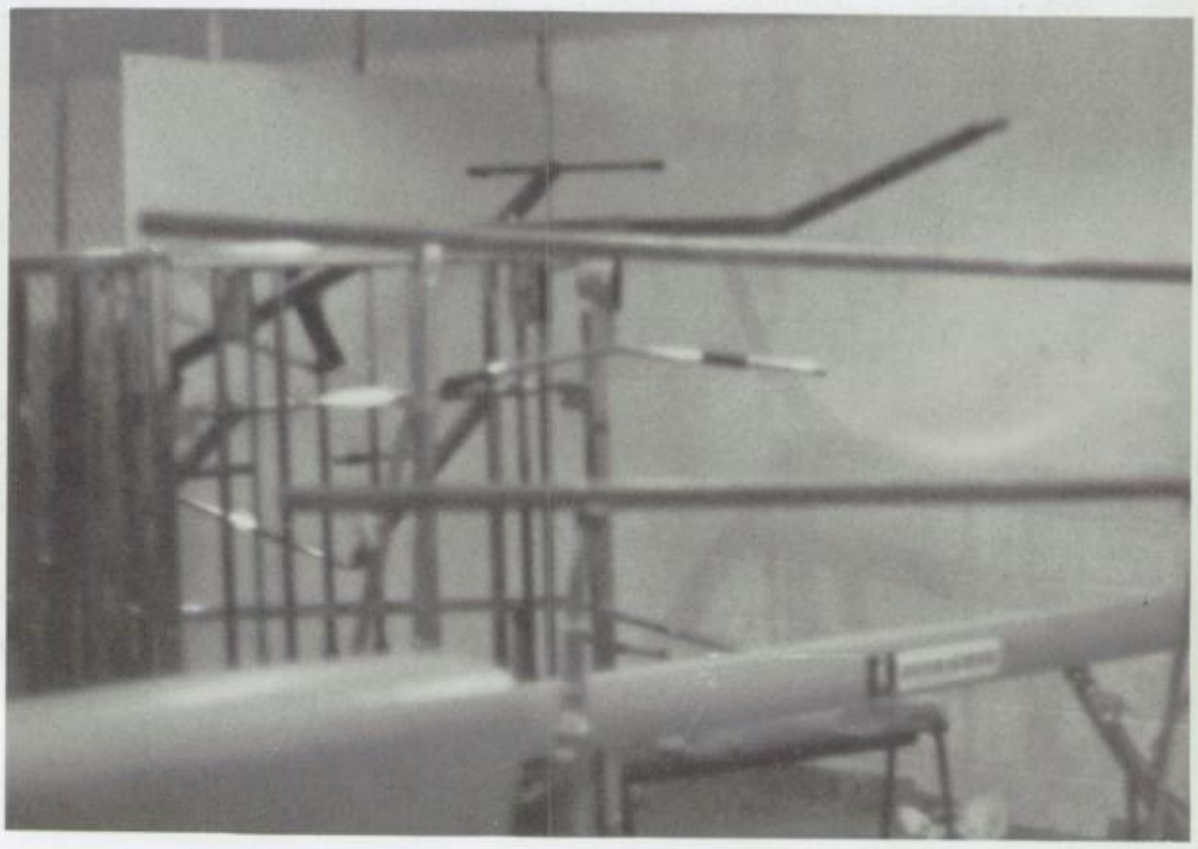
An unidentified skier tumbles down the hill.

The Ski Patrol comes to aid a Skier.

Lights in the school need many repairs.

Leaky ceilings in the yearbook office need repairs.

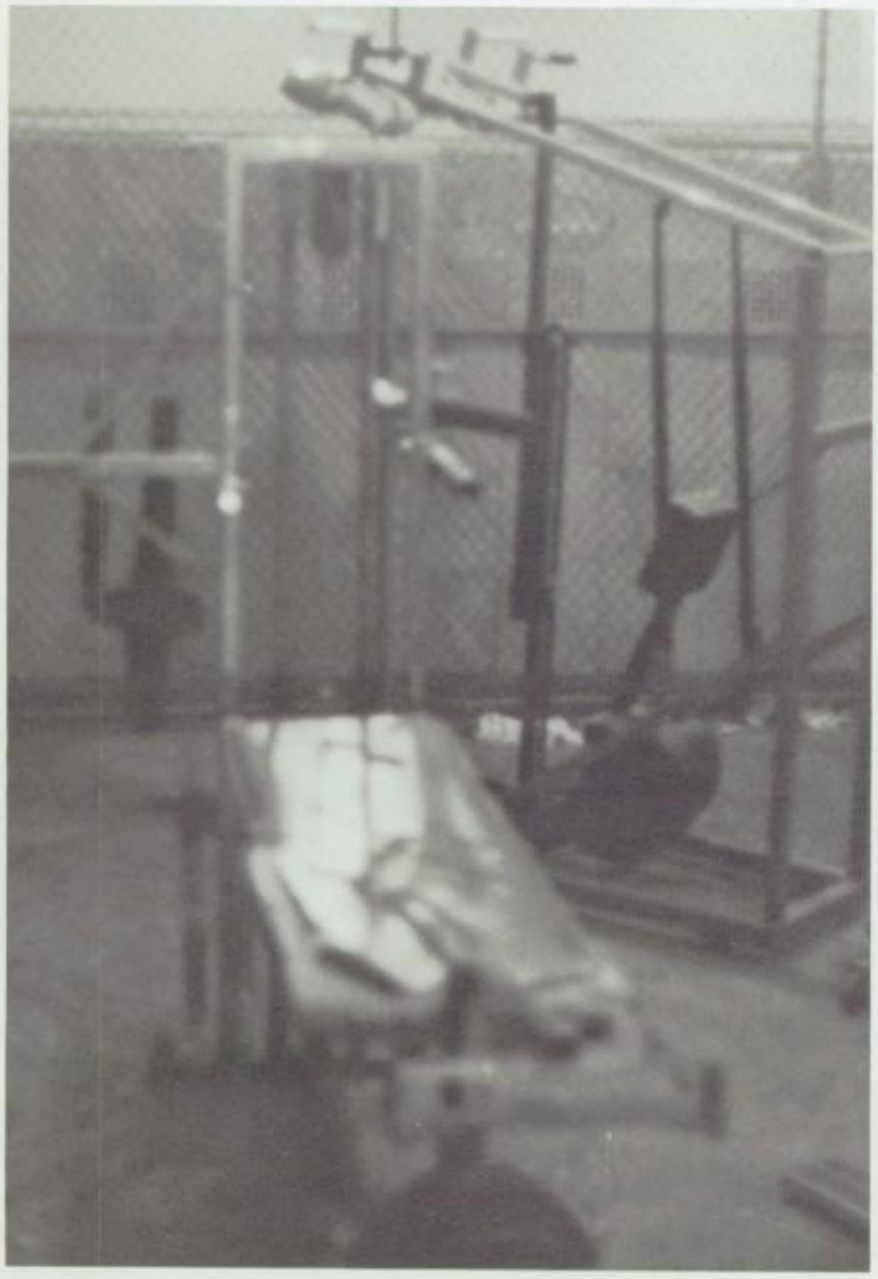
Girls' physical education classes must use the gym lobby because of inadequate room.



Gymnastic equipment is stored in the weight room because there just isn't enough room for storage anywhere else.

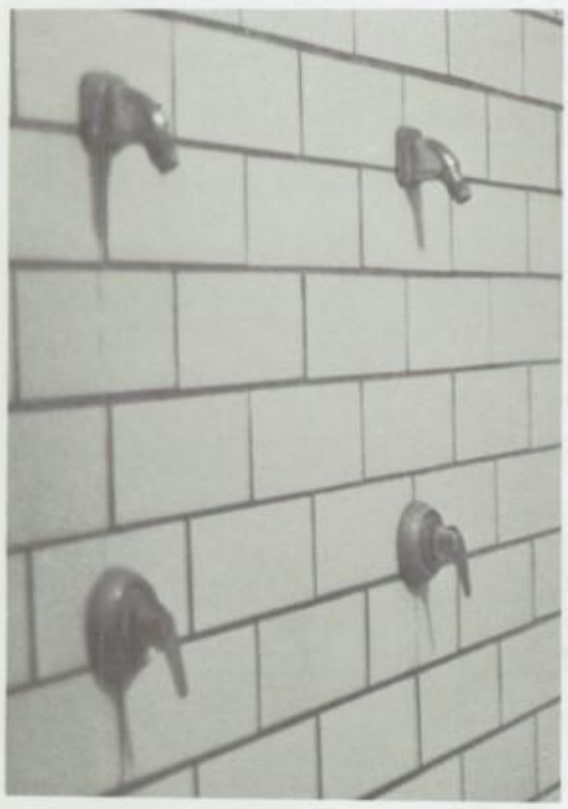
Boys' gym classes have to use the study hall annex because of lack of room in the gym and because the classes are so large.

School Bond Issues Fail . . .



Weight room equipment must all be crammed into a small room since there isn't proper space anywhere else.

All the rainy weather we have always makes the leaks very obvious in the school.



Broken shower faucets need repairs in both the girls' and boys' locker rooms.

November 8, 1977, could have been an important day for West Geauga schools.

Taxpayers were asked to vote for a renewal levy and two bond issues. . .But somewhere in their deliberations, many found reason to neglect the West Geauga schools. A total sum of 2.79 mills was turned down.

The first bond issues would have provide for an auditorium that would seat about 1200 people. It would have been equipped with the necessities of such a facility. That is, large storage and dressing areas, for example. This issue was defeated by approximately three to two.

The second bond issue had many diversified interests involved. This provided for labs for the Diversified Health Occupations, a department of cosmetology, and additional vocational education in building maintenance and welding. This could have alleviated some of the problems of overcrowding by enlarging art, physical education, graphic arts, and business education in the high school. Four additional class rooms would have been added, and there would have been remodeling in the offices and the cafeteria. This issue was defeated by about a five to four margin.

Perhaps in the future, more people will consider more carefully the fate of their own public schools. All that remains is hope.

Intramurals

Sue Truesdale, Emery Rozsits, and Greg Schutt try to keep the volleyball in the court.

Rick Cabot and Bob Howell wait for the ball to land in their side of the court.

The Intramural program is designed to provide all West Geauga students a wide variety of recreational activities in an organized and competitive form. The program offers such diverse activities as powder puff football, volleyball, basketball, and many other games. Certainly, the highlight of any intramural year is the Olympics Ridiculous. The zanny and unpredictable Olympics is guaranteed great time in which students of each class compete in such activities as pizza eating, limbo contests, and tug of war.

Sue Knafel and Kelli Krebs prove girls can eat just as much as boys in the Olympics Ridiculous.

Junior Powder-Puff football members, Tammy Martin, Patty Rickleman, and Nancy Lopez, lead the rest of the team down the hall showing their spirit.

Prom King candidates are: Doug Kovanda, Scott Occhionero, Joe Sprinzel, Phil Love, Mark Rosenberger, and Mike Kolk.

Prom Queen candidates are: Tish Crump, Beth Gore, Laura Brown, Barb Scott, Amy Lantz, and Sue Knafel.

Seniors Looking Forward to Prom

This year's seniors will be celebrating their Graduation at the Executive Club on the evening of Friday, May 26. This is the most important dance of the year for the seniors. It symbolizes an ending and a beginning. Most seniors are happy to be leaving school, but sorry to be leaving their friends. Prom will be the last big gathering for the seniors, and everyone is looking forward to an enjoyable evening.

West G basketball fans have enjoyed something new this year—a winning team, finishing the season with a 11-7 record and third place in the conference.

Some of the men responsible for the turnabout are: Three year letterman Mark Lopez, who with hot-shot junior Terry Teachout accounted for many of West's points; guard Jim Tager, who broke school records with his accurate passing for assists; many of West's opponents were held under average by the unyeilding defense of Bryan New and Joe Katzenstein; West center, Mike Kolk, lead the team with well over 200 rebounds and also had the highest shooting percentage.

With the return of Teachout and the CVC Champion JV team, West Geauga will continue the trend that was set by this year's team.

This year's JV Basketball team had a very impressive season. Losing only one non-conference game and a similar number of CVC games gave them first place. An asset to this year's team was its depth. Even though it had injured players, the rest of the team was always capable of winning games.

Individual leaders were: Rebounds–Craig Berardinelli Defense–Keith Hollingsworth; Scoring–Jay Tager; and Steals and Recoveries–Greg Kirby.

West's grapplers had a strong season this year. A 9-5 record (6-1 in CVC) brought them a second place finsih.

This year's captains, Joe Sprinzl and Phil Love, were also given the distinction of finishing first in the 167 and Heavyweight classes respectively. Love also leads the team in pins with nine.

Six of this year's starters were seniors. Three year letterman Doug Weese, 126 pounder Mike Schroeder, 185 pound Rob Moore, along with classy wrestler John Shipitalo will be graduating with the captains.

Next year West should have another strong team, especially in the lower weight classes.

Accepting The Challenge

West Geauga gymnasts have proved their ability to compete and determination to win. Coached by Mrs. Madonia, the team record is 7 wins and 4 losses. The team finished in 2nd place in the C.V.C. This year's squad, though young, is the best team West has produced.

Carol Lant, AFS student from California, brought both new style and quite a few victories to the team. Denise Robertson, ranked 9th in state, has turned in fine performances all season. With most of the girls returning next year, there are high hopes of another strong winning team.

Records Are Made To Be Broken

Gathering all of his strength, John Zendt gets off a good toss.

Although finishing in third place, the 1977 Track team did break some school records.

After clearing 12'6" in the pole vault, Jim Martin tied the school mark. Also, Dan Winterich's 1:59 time in the 880 yd. dash set a new school record. Tying an eleven year old time of 9.9 sec. in the 100 yd. dash was trackman Terry Jarvie.

Joaquin Patchen sails for West in the long jump.

The 1977 Cross Country team–Scot Occhionero, Keith Noser, Cliff Battles, Mark Safran, capt. John Wheaton, Jon Moss, Craig Beveridge, Roald Lutz, Rick Cabot, Coach Hunt. Not Pictured Chip Burger, Lynne Gibbons.

Despite a fifth place finish and a 2-5 record, the 1977 Cross Country team had some high caliber runners.

The highlight being Junior Cliff Battles qualifying for District competition. Also the usual first-second finish of Cliff and John Wheaton helped West's score.

Netters Have Smashing Season

The 1977 Varsity Tennis team had an impressive season. With a 7-7 record, they finished in a very respectable third place.

Another glimmering event in the season was the advancement of John Pleshinger and Ken Wallace in to the District Tournament.

Singles player Mike Dolan sends the ball speeding back.

The 1977 JV Tennis team included: Front Row: Gary Gates, Joe Vencl, Emery Rozsits, Todd Moskowitz. Back Row: Coach DiCillo, Mickey Atchley, Andy Goldstein, Barry McBride.

Golfers Bogie Season

Despite a 3-7 record (1-6 in CVC) and a seventh place finish in the CVC Tournament, the 1977 West Geauga Golf team is expected to improve next season. Of this year's lettermen, Jim Robinson, Steve Sawyer, Tom Kramarz, Ray Mileti, Kurt Moenkhaus, and Jim Greenwood, only Robinson will be graduating in June.

Steve Sawyer, the only two year letterman, lead the team with an overall average of 44.3 strokes per nine holes. Greenwood, however, was a close second with 44.6. Sawyer also lead this year with a season low of 39 at the Mayfield Country Club.

J.V. girls' basketball broke in a new coach this season. Coach Bilchek brought new strategy to the team and improvement is the result. The team's record stands a 10 wins and 1 loss. The J.V.'s stand a chance of sharing the conference championship with Solon. With the introduction of freshman basketball for girls, prospects for both J.V. and varsity look excellent for next year.

The girls' Varsity basketball team, coached by Mr. Peterson, ended the season with a 7-3 record. Experience proved to be an important factor, as the girls finished the season in a tie for 2nd place with Chardon. The team consisted of height and depth, and some great shooting ability. With five seniors leaving, the team will have to rebuild next season. The girls' basketball team has been striving for recognition and this year's team has achieved it. Stands were full at home games, newspaper write-ups covered events thoroughly, and the scores were reported on television.

Girls Track Sets Winning Trend

The girls track team excelled this year, finishing with a 4-5 season record—victorious over Solon, Orange, Mayfield and Geneva. Due to the high standards set by Coach Daniels, new records were set in every event. Many of the girls went into Sectionals competition and Kelli Krebs competed at Districts in the discus throw. Kelli Krebs was awarded Most Valuable Player and highest scorer, running close behind was Peggy Chew.

Season Highlighted By 2nd Place Finish

The girls' Varsity Volleyball team had a tremendous season finishing second in the C.V.C. The girls ended their season with a final record of 13 wins and only 3 losses. Most Valuable Player was awarded to Junior Patty Kolk and Most Improved was awarded to Jackie DeLaat. High scorer was Mary Ann Patrizi and Coach Daniels awarded Seniors Mary Ann Patrizi and Pam Petronis with a Special Coaches' Award for their Participation and dedication in the last 3 years. With all but three spikers returning next year, the team looks forward to a promising season.

Girls Tennis Becomes a Varsity Sport

Patty Roe shows her winning style.

Stacy Royster returns her opponents serve with a strong forehand.

Girls Tennis finished its first season as a Varsity sport with a record of 3 wins and 4 losses. Coached by Mrs. Madonia, the team consisted mainly of underclassmen. This first year laid the foundation for a now experienced team to return to the courts next fall. Senior Cathy Pleshinger was awarded Most Valuable Player, Sophomore Lori McMullen was awarded Most Improved and Senior Peggy Colombo was named Most Dedicated.

Late Arrivals

Our memory will burn in the hearts and minds of those we leave behind. Cause we're the class of 78" and everybody knows we're great.

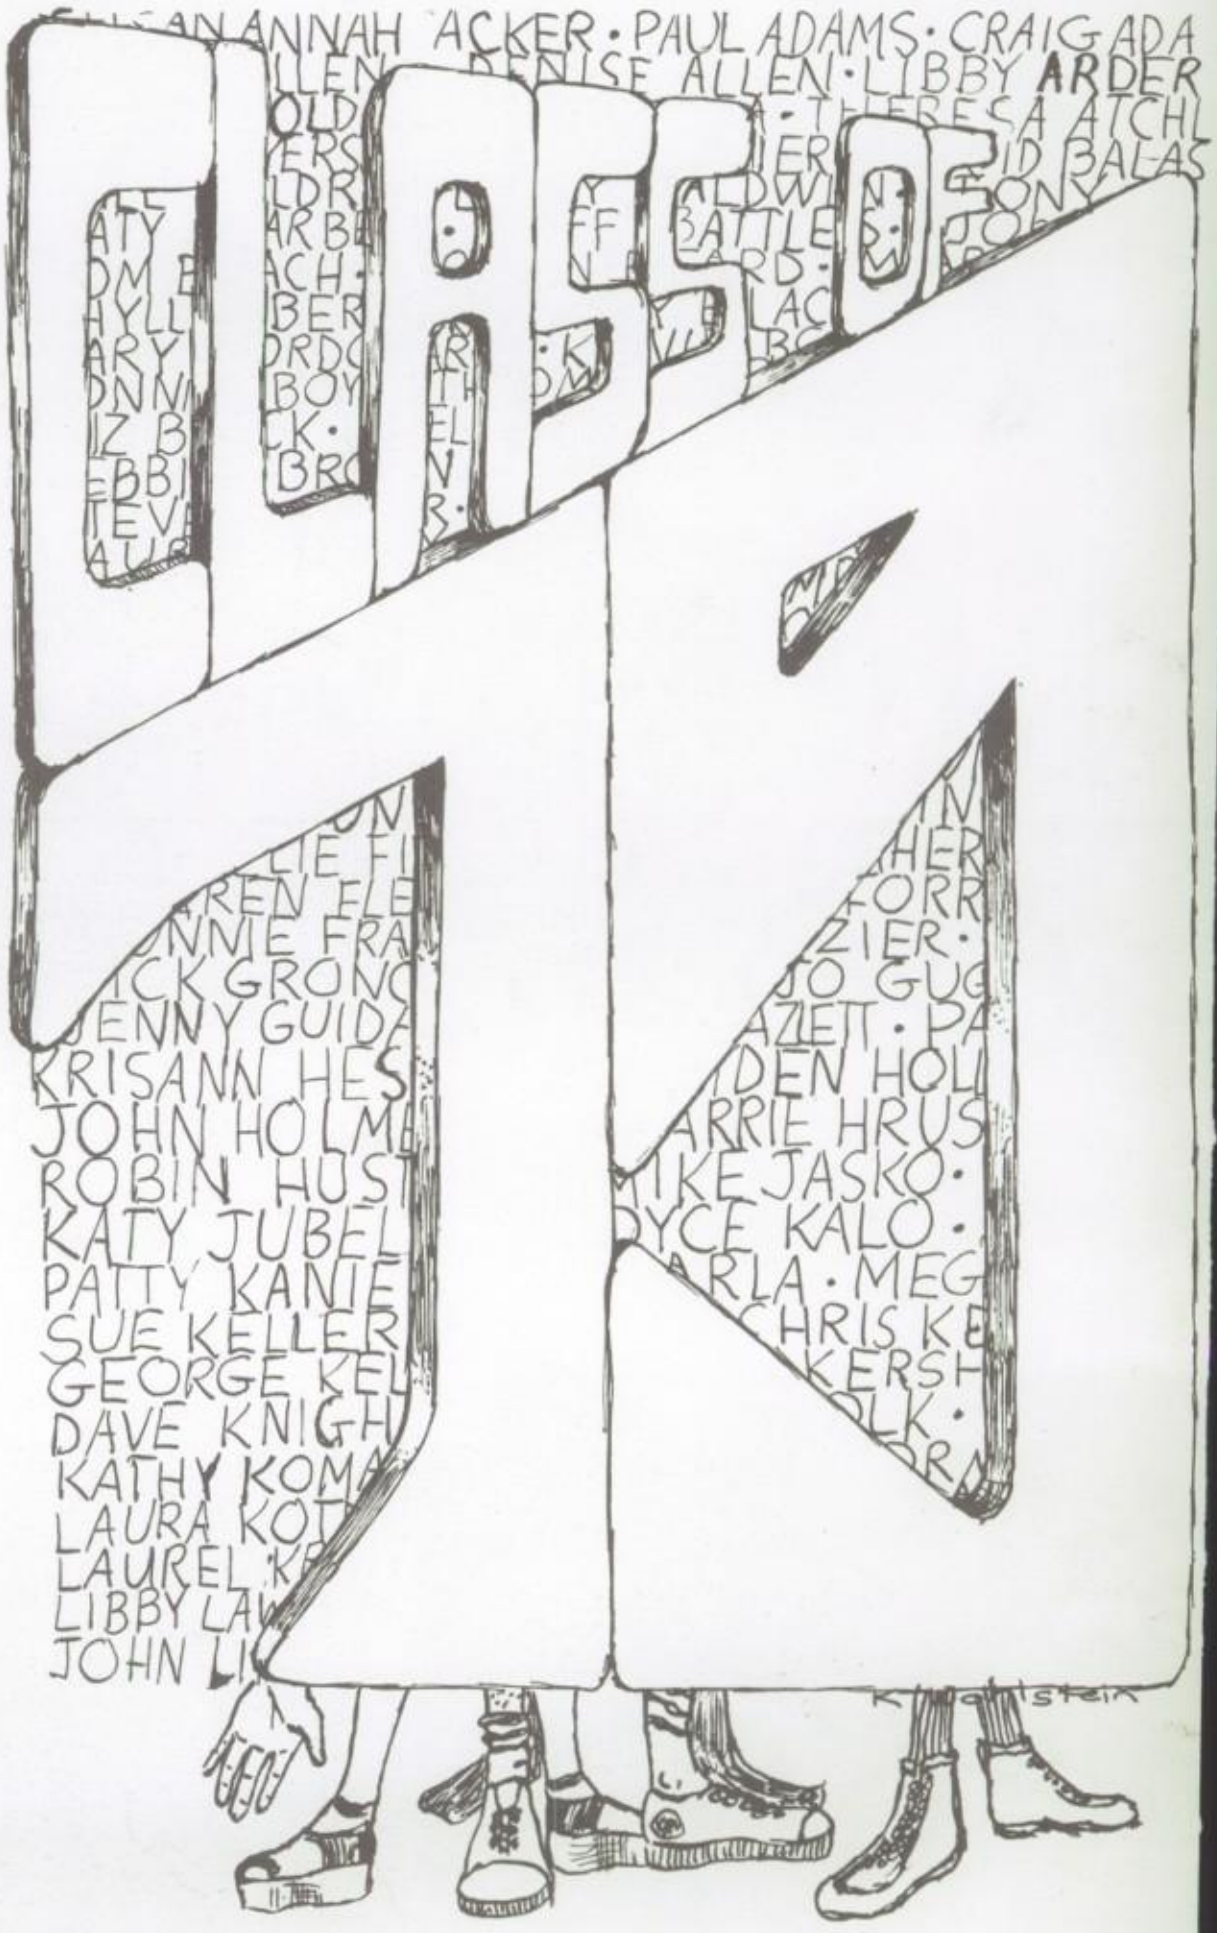
Class of 1979

The Junior Class Officers with the help of the class are trying very hard to get recognition and attention.

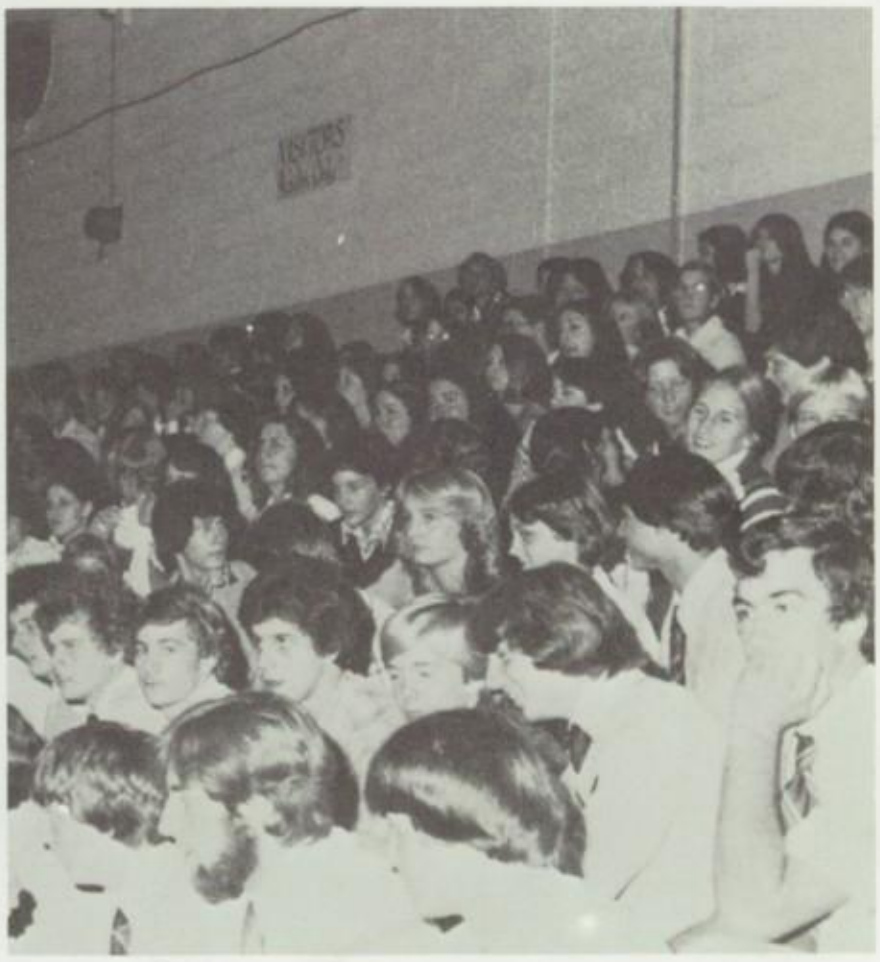
The class of '79' is trying to raise money for their senior prom, by selling candy canes and jewlery. We all ready had a booth at the Fourth of July midway which was a penny pitching contest. At Christmas we will be selling flowers to help earn more money. The money is coming in slowly but surely.

Many of the Juniors are very talented and are involved in Varsity Sports, both boys and girls.

Even though we are in between the Seniors and Sophomores, we still show good results.



Ginger Lynch, Debbie Brown, and Theresa Atchley get ready for a half time performance. At right, the sun blinds Suzanne Schaller at band camp.



Homecoming was a big week at West with a pep rally, powderpuff football game and hall decorating contest in which the Juniors came in second.

We Remain the Sophomores

New Year Brings Change . . .

Mr. Robert Lindsey (right)—Resigned as Superintendent, December 31, 1977, after 20½ years of service to West Geauga. His successor, Mr. Bernard Rickelman (left), became the new Superintendent.

Mrs. Patricia Leberknight and Mr. Robert T. McGraw assist Mr. Moll as Assistant Principals, while Mr. Barry Sweet is our Administrative Assistant.

. . . to Administration

Although a newcomer to the West Geauga High School Administration, our principal, Mr. Moll, is well acquainted with the business of running a school.

After receiving a batchelor of science degree at Wittenburg College and a master of arts at Case Western Reserve University, Mr. Moll pursued his career as a teacher for 22 years at Cleveland Heights, teaching science, health, and physical education. During this time he also achieved his child-ambitions, of becoming a coach in both basketball and track.

When he is not busy working, Mr. Moll relaxes in a game of golf. He also enjoys running and fishing in his spare time.

With these credentials there is no doubt that Mr. Moll is extremely qualified for his new position; nevertheless, the yearbook staff would like to take this opportunity to wish our new Principal much future success!

The Marshall Majority

In Cleveland, there is a group of die-hard, never-settle-for-second-best car buyers known as the Marshall Majority. They are a demanding bunch, requiring exceptional service, large selection, untouchable reputation and great low prices. Is it any wonder that the Marshall Majority is happiest with Cleveland's largest and oldest* Ford dealership?

If you are looking for any or all of the above, you too belong in the Marshall Majority. Thanks to people as discerning as yourself, Marshall Ford sells more new Fords each year than any other Ford dealership in greater Cleveland.

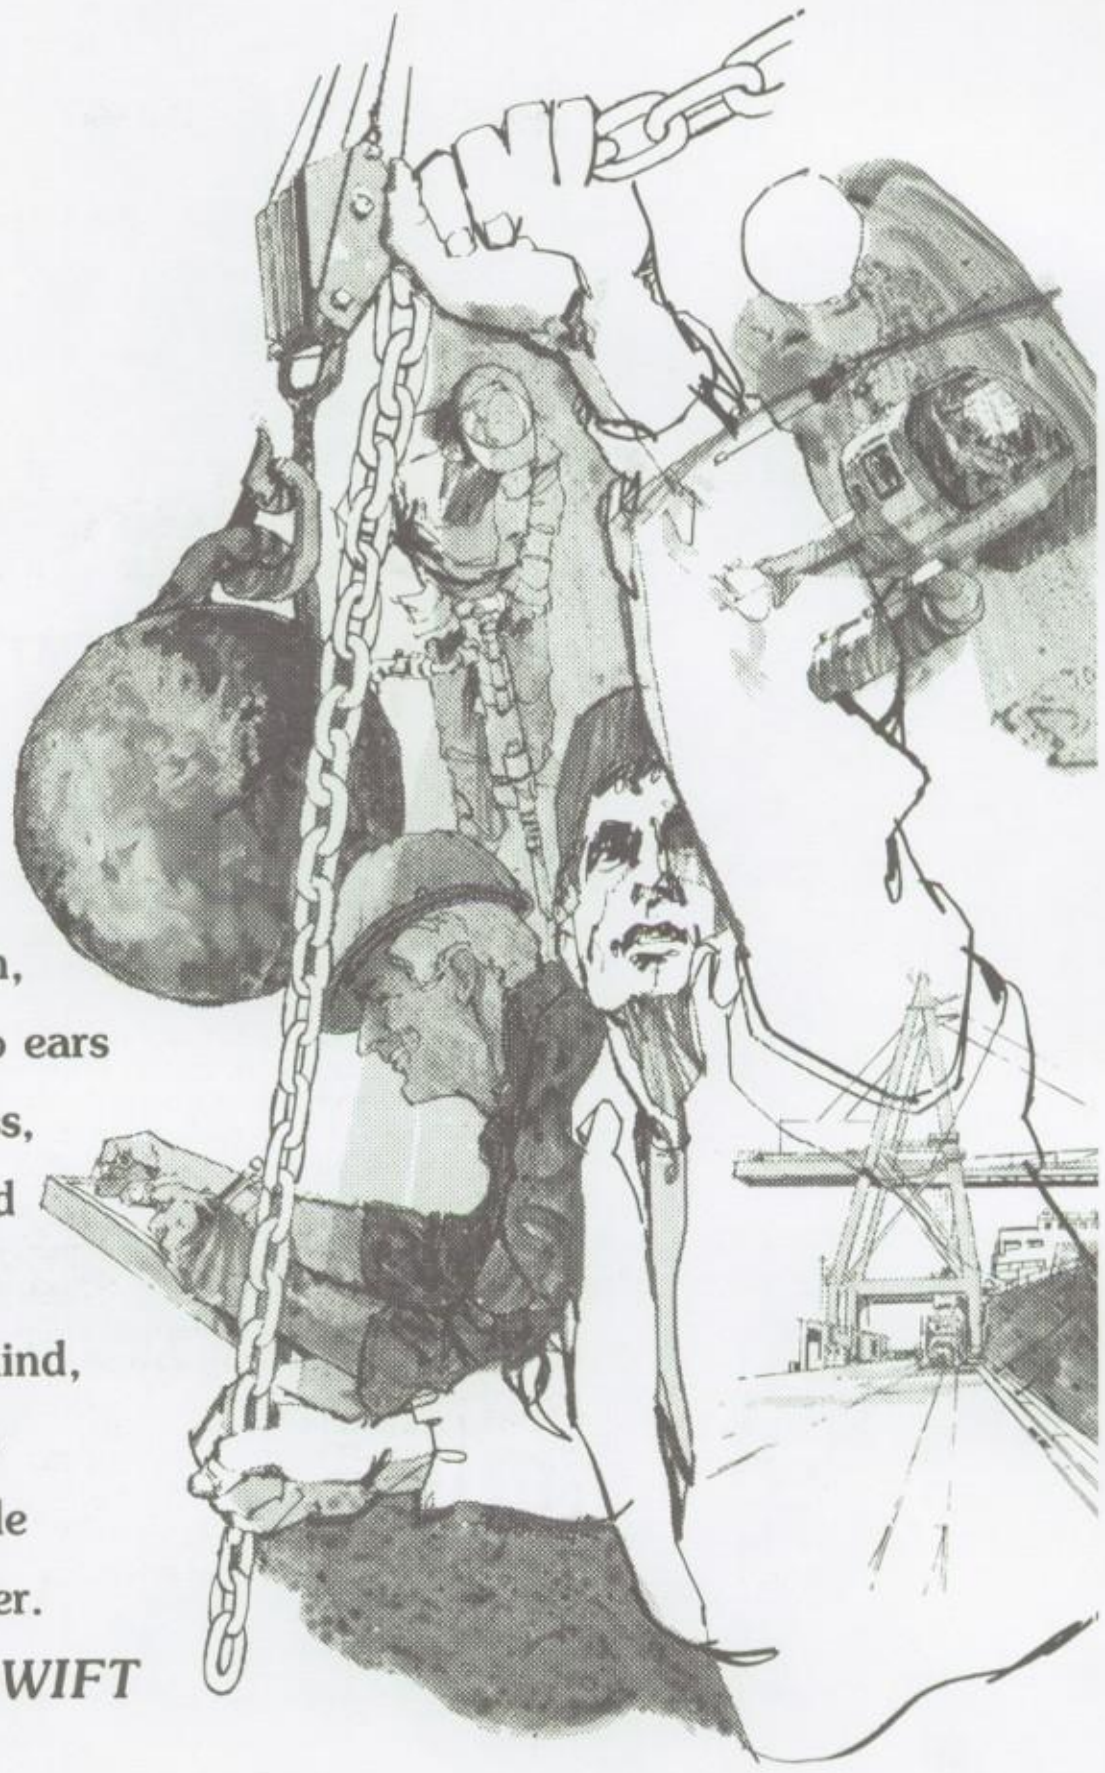
TIME MAGAZINE QUALITY DEALER 1976

DISTINGUISHED FORD ACHIEVEMENT 1976 AWARD DEALER

*Marshall Ford is Cleveland's oldest Ford dealership still run by its founder.



And he gave it for his opinion,
that whoever could make two ears
of corn, or two blades of grass,
to grow upon a spot of ground
where only one grew before,
would deserve better of mankind,
and do more essential service
to his country, than the whole
race of politicians put together.

The theme of the 1978 Westwind is "The Changing Face of West Geauga." This past year has brought many changes to both our school and our community. These changes are introduced in the theme section, and the theme is illustrated in the other sections of the book. We would like to thank the Westwind staff, especially the section editors, for the time and effort they put into this. We would also like to acknowledge Cheryl Arslanian and Carol Hardy who were not recognized as section editors. A special thanks to Laszlo Zala who stepped in at the last minute and did an excellent job with the photography for the theme section. Thanks to Charactor Arts for doing the senior pictures and much of the developing. We would like to acknowledge Mr. Sparlin for his help with the photography, and Mrs. Buckner who always managed to get the typewriter working when we had a deadline to meet. The cover of the Westwind was designed by Carol Stumpf and Alice Malloy. The base material is light blue linen. The cover was done with a silkscreen and the gold was put on with a hotstamp. The end sheets are of linen vellum. There are 192 pages, each one is 9 inches by 12 inches. The pages are made of ICP suede. The Westwind is published by The Inter-Collegiate Press. As editors of the 1978 Westwind we feel that the staff has done a fine job in putting together this yearbook and we would like to think that 1978 will be remembered as a year of many accomplishments and improvements at WEST.
